Live the OLYMPIC VALUES which are EXCELLENCE, FRIENDSHIP and RESPECT!

EXCELLENCE: It stands for giving one's best, on the field of play or in the professional arena. It is not only about winning, but also about participating, making progress against personal goals, striving to be and to do our best in our daily lives and benefiting from the healthy combination of a strong body, mind and will.

FRIENDSHIP: It encourages us to consider sport as a tool for mutual understanding among individuals and people from all over the world. The Olympic Games inspire humanity to overcome political, economic, gender, racial or religious differences and forge friendships in spite of those differences.

RESPECT: This value incorporates respect for oneself, one's body, for others, for the rules and regulations, for sport and the environment. Related to sport, respect stands for fair play and for the fight against doping and any other unethical behaviour.
