Dear Pentathletes,

It's competition week. We just wanted to send out a few updates as well as some reminders to make registration as simple as possible.

### **Competitor list**

Attached, please find an updated competitor list. With the addition of Mexico, we now have 80 competitors from five countries attending. Please check and make sure you are entered in the appropriate division.

### **Banquet**

When you register, there will be a signup sheet for the banquet. If you (and/or your family) did not sign up and pay for the banquet, this will be your last opportunity. We did not include the banquet in the entry fees because some people were leaving early and would not be able to attend.

### **UIPM cards**

A big thank you to Joach Sacksen who moved heaven and earth to make sure everyone had a card. Those of you who just got your number last week can pick up your cards at registration. They are being shipped directly to the hotel. Those of you who already have cards, please bring them with you and present them at registration.

### **Run/shoot attire**

Please remember that you are required to have your name and country printed on your running jersey.

- The pentathlete must wear a top with their **name clearly visible and professionally printed** on the back side of the top. Below the name should be the NF (nation) code, 7 to 12 cm high and in a contrasting color to the color of their shirt.

If you have not had this done, we may be able to get the jerseys printed here. But it's better for everyone's sanity, if you have the jerseys printed before arrival.

### **Air pistols**

We will have CO<sub>2</sub> and compressed air tanks available. However, you must remember to bring your yokes and/or adaptor or you will not be able to fill your tanks.

Thank you all.
