NOTE: Athlete's % Back = $(2 - (\text{Athlete's Time} / \text{Scoring Base})) \times 100$
The Scoring Base is the average time of the top three finishers.

Points are awarded to classified shooters (Novice, Youth, Junior, Senior, Master) from high to low skipping Novices until all of the top 4 finishers from each match team plus the next individual match participant down the list (Youth, Junior, Senior, Master) have been awarded their points. For example, if there are 16 classified participants and the shortest time was achieved by a Novice, but the next to the lowest time was achieved by a match individual or match team participant, then he or she gets 16 points for the race.

Warmest thank-you's to our volunteers for this race.

Race Director: Fred Allen

Chief RSO: Fred Beihold

Timer: Fred Allen

Scorekeeper: Fred Beihold

Wherever there are no volunteer officials working the race, the honor system applies.
