

Stay and Play Policy

USA Volleyball will continue the “Stay and Play” policy that was instituted in 2009 for both the 2010 USA Volleyball Girls’ and Boys’ Junior National Championships. Each team registering for Nationals must make its hotel reservations through THS at an approved USA Volleyball hotel to be eligible to participate in either of the USA Volleyball Junior National Championships. The approved hotel list is generated by USA Volleyball and THS.

Reasons for implementing the Stay and Play policy are to increase the amount of room nights available to teams and clubs and to help police the rates the hotels are offering. By increasing the amount of room nights actually used for the purpose of attending our events, USA Volleyball is able to prove to the host cities our positive impact on their local economy, thus building stronger relationships as well as helping to offset convention center pricing.

THS is and will continue to guarantee the lowest group rates available through continual rate integrity checks (exclusions include single/king bedded rooms, employee rates, government rates, AAA and AARP rates). Rates range widely, starting as low as \$79. THS will work with any club or team that may have a special situation (please see Special Situations below). If you still are unsure, or think you have found a better rate, please feel free to call THS.

Special Situations

If you are in a situation listed below, call THS and ask for more information on how we can help.

- * Do you already have a signed hotel contract? Please email Kelli or Krystle a copy of your Hotel contract and what your needs are. We will try and incorporate those rooms into our approved hotel list.
- * Do you want to use a hotel not currently on our list of approved hotels? Email us the hotel name, address and number of rooms you are interested in. If you have been quoted already a rate, please provide us that information.
- * Do you want to use your own travel agent? Please have your travel agent contact THS to set up your reservation.
- * If you are a local team, not in need of hotel rooms, please contact USA Volleyball’s Event Department (719-228-6800, specify which event).

THS will go live with hotel registration for both tournaments on Jan. 4, 2010. If your club or team has already made housing arrangements, but they are not with the approved hotels, it is in your best interest to contact THS before then.
