

DATE: October 1, 2010
TO: Division Chairs and Secretaries
FROM: Christine Strong Simmons, USA Fencing
SUBJECT: Qualifying Information for the 2011 Junior Olympics

The forms for reporting the results of qualifying competitions for the 2011 Junior Olympic Fencing Championships are attached. These forms must be used to report the full results of each qualifying competition with all the details requested and returned electronically to Amanda Noble (amanda.noble@usfencing.org), as soon as possible after the qualifying competitions and no later than Monday, January 10, 2011. The sooner the National Office receives the results of the qualifying competitions, the sooner the entries from that Division can be processed and athletes notified of their status for the J.O. Championships. **Junior Olympic Entries cannot be processed without the qualifying report forms from the athlete's Division.**

The list of Junior and Cadet automatic qualifiers based on point standings are posted on the website under Events on the JO Tournament page and will be updated periodically. **If a fencer becomes an automatic after the qualifying competition, it does not affect the results of the qualifying competition.**

The Junior Olympic Entry Form is posted on the USA FENCING website under Events on the JO Tournament page. A copy of the Junior Olympic Entry Form should be distributed to the athletes who qualify for the Junior Olympic Fencing Championships. Athletes can register for the Junior Olympics online at www.railstation.org/usfencing at no additional fee once results from qualifying competitions are received.

General tournament information is included as well as relevant excerpts from the Athlete Handbook. Familiarize yourself with the enclosed information so you can answer questions from your members. Please contact Tanya Brown (t.brown@usfencing.org) if you need any further information or explanation of the qualifying procedures or wish to list your qualifying tournament on the Events Calendar.

There are **NO alternates** for any competition at the Junior Olympic Fencing Championships.

Classifications can be awarded at a Division Junior Olympic qualifying competition and must be noted on the qualifying report form. Cadet events must be rated as a C1 or greater for a classification to be awarded. (See the included Classification Chart).

USA FENCING office will verify the accuracy in determining the number of qualifiers in each event. If there is an error, USA FENCING will request that the Division contact the affected fencer(s).

Organizers for the Division Qualifying competition must arrange to have at least one referee with a rating of five or higher at the qualifying tournament. For more information on referee ratings, please visit the FOC website at: www.fencingofficials.org.

Athletes are permitted to fence in their Division qualifying competitions only IF:

- 1) The athlete is a U.S. citizen OR permanent resident **and** a current competitive member of USA FENCING **AND**
- 2) The athlete's birth year falls in that age bracket **OR**
- 3) The athlete is on the national rolling point standings in the **next younger age bracket**

JUNIOR OLYMPIC FENCING CHAMPIONSHIPS

Eligible fencers are U.S. citizens OR permanent residents of the United States, current competitive members of USA FENCING, and meet qualification standards for each age category.

Any fencer who is a citizen or permanent resident who has represented another country in the last three years is not eligible for any USA FENCING National Championship competition, individual or team, including corresponding Division and Section qualifying competitions. A foreign fencer who is in the US on a visa is NOT eligible to fence in any National Championships or associated qualifying competitions.

If you have conflicting information about whether or not a fencer is foreign, contact USA FENCING at (719) 866-4511. Fencers must have a USA FENCING "Competitive Member" card with expiration date of 7/31/11 or later or be listed on the USA FENCING online membership list as a current competitive member.

Important Notice: The members of the National Teams for the 2011 Junior and Cadet World Championships will be selected at this tournament. To view the selection criteria for the each weapon please visit www.usfencing.org and click on International.

In determining the number of qualifiers, the number of competitors is the total number of fencers who competed in the qualifying competition who are eligible to fence in the Championships. Once the qualifying competition is complete and the number of qualified athletes is determined, those who have already qualified to the Championships in that event (athletes determined to be automatic qualifiers) are skipped in determining those who have become qualifiers in that competition. For example, if there are 20 competitors in the qualifying competition, of which four have already qualified for that particular championships event, those four are skipped in determining the five qualifiers from that competition. So, if the ones who are automatic qualifiers are 1st, 3rd, 6th, and 7th, then the qualifiers from this competition are those who have placed 2nd, 4th, 5th, 8th and 9th.

Division I NAC and National Championships are always Group A4 competitions.

Division I-A National Championships are always at least Group A3 competitions.

Division II NAC and National Championships are always at least Group B3 competitions.

Division III NAC and National Championships are always at least Group C3 competitions.

Changes in classifications are allowed at USA FENCING sanctioned individual competitions that are restricted to Veterans and to Junior fencers.

Division, Section and Regional Youth and Cadet competitions must meet or exceed criteria for C1 to award changes in classification. (BOD, July '02, July 03).

USA FENCING does permit classification changes at mixed competitions without regard to gender of fencers.

USA Fencing National Team Championship Classification Information

1. A fencer qualifies for a "B" classification by fencing in the final round of four as a member of a team that wins the USFA National Team Championships if 6 or more teams competed in that Team Championships.
2. A fencer qualifies for a "C" classification by fencing in the final four as a member of a Team that places second and third in the USFA National Team Championships if 6 or more teams competed in that Team Championships.

USA Fencing National Championships Appeal Procedure

In exceptional cases, subject to approval by the USA FENCING Board of Directors, a member of USA FENCING in good standing may be permitted to qualify to the Junior Olympic Fencing Championships or USA Fencing National Championships by appeal. No petition may contravene the results of a qualifying competition – a fencer who has fenced in the competition without withdrawing due to valid medical reasons cannot then petition to disregard or override those results.

The following criteria and procedures are applicable to filing an appeal:

An appeal may be filed by a fencer who qualified (by means of competition or appeal) to that same competition in the prior season or whose competitive record during the current fencing season indicates a strong possibility that the athlete would have qualified had they been able to compete in the qualifying competition but:

1. Was unable to compete in the qualifying competitions this season, OR
2. Did compete and had to withdraw because of a disabling injury or illness.

(Note: Mere attendance at an out-of-town school during the qualifying competition shall not constitute inability to compete.)

All appeals must be made in writing to USA FENCING National Events, 1 Olympic Plaza, Colorado Springs, CO 80909-5774. Such appeals **are to be filed within five business days** following the competition at which the petitioner could have qualified. Relief from this deadline will be granted only when the specific qualifying competition is held less than two weeks prior to the entry deadline. Under no circumstances will petitions be accepted if received after the entry deadline for the Championships.

The appeal must be accompanied by:

- A non-refundable fee of \$100.00, payable to USA FENCING
- A written statement that gives the specific details of the dates, reason for absence or withdrawal, and other pertinent facts. Written notice from the attending physician and/or statement from the Bout Committee must substantiate any medical reasons if the medical reason required withdrawal from the qualifying competition.
- A summary of the fencer's significant competitive results during the past year. In particular, results in previous National Championships and recent North American Cup (NAC) competitions should be noted.
- Evidence that a copy of the petition has been submitted to the Chair or Secretary of the Division or Section that hosted the qualifying competition. If the basis for the petition does not correspond with information available to the Division or Section officer, then the USA FENCING expects the officer to so notify the national office in writing.
- A completed entry form for the National Championships with the correct registration and entry fees. If the petition is not approved, these fees associated with the entry will be refunded.
- Inclusion of a fax back sheet for reply to the appeal if athlete does not have a current e-mail address; otherwise responses to the appeal will be made by e-mail.

Petitions that do not meet these requirements will not be considered.

Decisions on petitions will be based upon the validity of reasons given for absence or withdrawal and the probability that the fencer would have qualified had they competed in the qualifying competition to its conclusion, based on results achieved in other competitions. If a fencer is permitted to enter a National Championships competition by this appeal procedure, the fencer's entry will in no way affect the number of qualifiers from the Division or Section involved.

Appeal Checklist
(Additional documentation may be requested by USA FENCING)

- ❑ A non-refundable fee of \$100.00 payable to USA FENCING
- ❑ Letter from the athlete outlining the reason for the appeal with a summary of significant competition results during the last year
- ❑ Copy of the letter sent to a Division/Section Officer notifying them of the Appeal
- ❑ Letter from a physician if the petition is for medical reasons (*if needed*)
- ❑ Letter from the Bout Committee Chair if a medical withdrawal occurred during the qualifier (*if requested by USA FENCING*)
- ❑ Email address for reply to the appeal
- ❑ Appeal submitted within five business days of the qualifier
- ❑ Championships Entry form and payment

If your petition is received without the information requested above including payment, it will be returned unprocessed.

*Petitions are processed in 4-6 weeks.
