## **What Events are Covered?**

Sanctioned events through USA Canoe/Kayak that are listed on file, in the competition guide or master schedule. Other events could include competitions, training sessions, clinics, meetings, banquets and fundraisers where:

- A Certificate of Insurance has been specifically requested and issued.
- USA Canoe/Kayak Safety Standards and Risk Management Guidelines are followed and an event organizing committee is in place to run the event.

To place your club's schedule of events on file with the National Office, club schedules should be sent to Gerald Babao at [gerald@usack.org](mailto:gerald@usack.org).

## **What is a Sanctioned Event?**

Each club is responsible for providing the USA Canoe/Kayak National Office a list of their scheduled events for the year to include training, clinics, competitions, and events. Activities of the clubs are sanctioned at no additional costs however events that are sanctioned require a sanctioning and insurance form to be completed, in addition to a request for insurance. The application fee for sanctioning an event for **current** club members is \$25.00. Each Additional Insured is \$15.00.

### **How do I Sanction an Event for Insurance Purposes?**

Clubs are required to fill out a sanctioning and insurance form and mail or fax to the National Office for approval along with all appropriate fees. There is NO charge to provide an active club member with a Certificate of Insurance for their activities such as training, competition and clinics. Note, that if the club requests an Additional Insured such as a landowner or sponsor to be added to the master policy for any such events including training, clinics and other competitions, there is a fee of \$15.00 per Additional Insured.

### **Who is Eligible to be Named an Additional Insured?**

Landowners, Sponsors, Vendors, etc. that are directly associated with the activity to include training, clinics, competitions and events.

***This is an overview of the USA Canoe/Kayak insurance program and is intended to cover exposure for the actions and activities that its clubs and members participate. This in turn supports USACK mission statement.***

***This policy is not meant to cover all the exposures that certain clubs may have in regard to liability. It is our suggestion that clubs evaluate their needs on an individual basis***
