## **ACKNOWLEDGEMENT & COMMENTARY**

This revised *Bid Manual* and *Bid Application* is based on earlier versions developed in 1993, 1997, 1998, 2000 and 2004. This revision was initiated primarily for updating purposes. It is relevant to the bidding process for 2013 through 2016. It also addresses the current and projected needs of USA Volleyball and the conduct of the USA Volleyball Championships.

We wish to acknowledge the participation and contributions of USA Volleyball leadership and staff in helping to compile these two instruments. We thank previous administrations of the National Championships Division, chaired by Vice President Tom Slaymaker (1992-1996) and Joseph Sharpless (1997-2004). The 1993 and 1997 manuals provided the nucleus for this manual.

# INTRODUCTION

## BID MANUAL

This manual will familiarize the potential bidder with:

1. USA Volleyball.
2. The requirements to host the USA Open Volleyball Championship event and the Corporation's Annual Meetings.
3. The process for filing a *Bid Application*. Once a host/city has been awarded the event, this manual can be converted into a basic planning and operating manual. It can also be a valuable tool for the host in their planning efforts and subsequent program operation. It should be noted that while the term "city" is a frequent referral, the potential host is not limited to city government or organizations.

## BID APPLICATION

The *Bid Application* is the companion document to the *Bid Manual*. The application is in a questionnaire format that provides responses to the requests and requirements outlined in the *Bid Manual*. In addition to submittal of the Bid Application, prospective hosts are asked to attach other materials and information. These are important supplements to the total fact finding process that USA Volleyball needs to make the best-informed decision.

The United States Olympic Committee (USOC) recognizes USA Volleyball as the National Governing Body (NGB) for the sport of volleyball in the United States. A primary function of the NGB is to conduct national events in its sport. One of the events for USA Volleyball is the USA Open Volleyball Championship, which is conducted annually and is held in different regions of the country each year.

## USA CHAMPIONSHIP EVENT

In 2007, USA Volleyball conducted its 78<sup>th</sup> National Championship. Currently, the USA Championship is divided into six (6) categories of competition. There are men's and women's divisions in the U.S. Open, U.S. Club, U.S. Masters, U.S. Seniors, U-Volley and U.S. Co-Ed Championship Tournaments. The event begins annually on the Saturday prior to Memorial Day (celebrated Monday), and ends on the Saturday following Memorial Day weekend. More than 1600 matches are played during the eight-day event.

## ANNUAL MEETINGS

Prior to the USA Volleyball Championships, the USAV, acting as the corporate body, conducts its annual meetings. More than 50 sub-structures of the Corporation meet prior to the Board of Directors. In addition, the referees and scorekeepers attend recertification clinics in preparation for the competition. During the week, approximately 500 volleyball leaders and tournament support staff will assemble to conduct their annual business.

## FEATURES

In tandem, the Championship and Annual Meetings provide:

- 12 days of volleyball activity involving national and local volleyball communities.

- A forum to render important decisions relevant to the growth and development of grass roots and local programs, and national and international events.
- 29 National Championship Tournaments featuring the best indoor volleyball athletes in the country—senior age group (40 to 75+) competition, club competition for adults 18 and over, and the elite U.S. Open. The U.S. Open features international as well as U.S. teams.

A principle goal of site selection is to showcase the sport of volleyball in different regions of the country. It has been consistently demonstrated that local and regional volleyball activity has increased significantly following a USAV National Championship event. Other by-products are an increased awareness and better appreciation of volleyball in the local community.

Previous and known future hosts are listed below. Please note the rapid growth in the number of entries over the years. From 1990 through 1998, the event realized a 70% growth in the number of entries. Since the Centennial Year of Volleyball in 1995, team entries have grown from 232 to 557 in 2007—a growth of over 140%. This translates into an economic impact of more than \$7 million for city merchants.

The USA Volleyball Championship event is a major program of USA Volleyball and currently involves more than 500 teams and 6,500 participants. While USA Volleyball will be responsible for the actual conduct of the event, the Host City is expected to provide the basic ancillary components associated with managing and organizing these championships.

It is important that bidding groups are fully aware of these expectations when they consider hosting this event. These expectations will be primary issues in the final negotiations, as well as integral components of the operating agreements.

Upon *submittal* of the bid, USA Volleyball will assume that the bidder has read and fully understands these expectations and *is prepared to assume the responsibilities* outlined in this document and the complete Bid Manual.

**Upon receipt of the Bid Application, and witnessed by an authorized signature, a bid will be considered an official invitation for USA Volleyball to proceed with these assumptions in place.**

## HOST OBLIGATIONS

## CHAPTER 2: SITE SELECTION DATES

### SITE SELECTION FOR YEARS 2013 THROUGH 2016

Bids are currently being accepted for this event through the year 2016. Preferred dates are:

Year	USA Open Championships Preferred Dates			
	MEETING DATES	MOVE-IN	COMPETITION	MOVE-OUT
2013	May 19 – 24	May 22 – 24	May 25 – June 1	June 2
2014	May 18 – 23	May 21 – 23	May 24 – 31	June 1
2015	May 17 – 22	May 20 – 22	May 23 – 30	May 31
2016	May 22 – 27	May 25 – 27	May 28 – June 4	June 5

**Bid solicitations will be accepted immediately for all three years. It is the desire of USA Volleyball to decide on each bid consistent with the schedule below. Bid deadlines may be extended if not enough bids are submitted by these target dates.**

Year	Notice of Bid Proposal	Final Decision Date
2013	Letter of Intent submitted no later than August, 2011	Winter, 2011 or sooner
2014	Letter of Intent submitted no later than August, 2012	Winter, 2012 or sooner
2015	Letter of Intent submitted no later than August, 2013	Winter, 2013 or sooner
2016	Letter of Intent submitted no later than August, 2014	Winter, 2014 or sooner

### ***SITE EVALUATION VISIT***

Serious bidders will be expected to host and provide all expenses for up to three persons from USA Volleyball to make a site evaluation visit. USA Volleyball will use the visit to inspect all of the facilities in an effort to determine the adequacy of a city to serve as the potential host. This visit will follow receipt of the *Bid Application*, and will occur prior to final site selection.

Persons representing USA Volleyball:

1. Shall be booked in economy class for airline travel for all flights less than five hours duration, over five hours a higher class may be booked.
2. Shall be lodged in a hotel proposed to be used for the event housing (Headquarters Hotel if possible) in a standard room, double occupancy, appropriate to gender.
3. Shall not accept gifts totaling more than \$100 in value.
4. Shall not accept inappropriate or extravagant entertainment.

### ***POTENTIAL VARIABLES***

Please understand that these bid specifications precede the actual dates of announcement of the final decision. The Host and USA Volleyball need to be flexible and adapt to new circumstances should they arise.

## CHAPTER 3: HOW THE HOST CITY BENEFITS

In partnership, you and USA Volleyball can further the sport of volleyball both locally and nationally, showcase your city nationwide through various media, and expose the treasures of your city to a new population of visitors and their families.

### VISITORS

- 6,500 persons from across the nation and several foreign countries will attend the USA Volleyball Championships, the Corporate Annual Meetings and other volleyball-related activities.
- Participants are principally adults from 18 to more than 70 years of age. These people play, officiate and serve in leadership capacities. They require housing, food and enjoy the local nightlife, shops and the opportunity to visit local points of interest.
- We anticipate approximately 550 teams to register for one or two of the 29 tournaments that will be conducted over the eight-day competition period.

### ECONOMIC IMPACT

- We anticipate that over a 14-day period, more than 8,500 room nights will be utilized at local hotels.
- In recent host cities, local Convention and Visitors Bureaus have reported more than \$7,000,000 in economic impact.

### RECOGNITION AND VISIBILITY

- **Host Recognition:** Hosting the USA Volleyball Championships can lead to hosting other amateur and professional sporting events, as well as interest by USA Volleyball in returning to your city for National Team competitions, other volleyball events and meetings.
- **Visitor Visibility:** Your city will get exposure to 6,500 and more persons from across the United States and international participants, who will return home to share their experiences with friends and relatives.

### PUBLICITY AND PUBLIC RELATIONS

#### ***MEDIA EXPOSURE***

Your city will gain recognition and publicity through media exposure in these venues:

- *Volleyball USA*, USA Volleyball's quarterly publication (circulation of 225,000).
- *Volleyball Magazine*, (circulation of 60,000).
- Pre-tournament information books, Championship programs and the USAV website.
- Media publicity through event announcements and reporting of tournament results in hometown newspapers.

- Several national Meeting and Convention publications, website listings for NGBs and other sport organizations.
- “Rotations” email newsletter published bi-weekly by USA Volleyball and distributed to 125,000 readers.
- Sponsor publicity.

### ***INTERNAL PUBLICATIONS***

Your city will also be publicized in publications of USAV Member Organizations, including:

- **40 Regional Volleyball Association** periodic newsletters.
- **Collegiate and scholastic educational-based organizations** such as the NCAA, NAIA, NJCAA and the National Federation of State High School Associations.
- The **American Volleyball Coaches Association**, an organization for club, high school and collegiate coaches.
- **Multi-sport organizations** such as: YMCA of the USA, U.S. Amateur Athletic Union (AAU), Special Olympics International, U.S. Armed Forces, Disabled Sports and the National Association of Girls and Women in Sport.
- **Recreation organizations** such as: Boy Scouts of America, Girl Scouts of America, National Recreation and Parks Association, National Intramural-Recreational Sports Association, Jewish Community Centers and the National Association of Police Athletic Leagues.
- **Social/Recreation organizations** such as: American Latvian Association, Sport for Understanding and the American Turners.
- **Professional and other volleyball-specific organizations** such as: Association of Volleyball Professionals, National Volleyball Association, California Beach Volleyball Association, Professional Association of Volleyball Officials and Walleyball International.
- **Development-based and administrative organizations** such as: Athletes In Action, William G. Morgan Foundation, Inc., President’s Council on Physical Fitness and Sports, and Volleyball Hall of Fame.

### **SHARED WORK EXPERIENCE**

Hosting the USA Volleyball Championships and Annual Meetings provides your city with an opportunity to work and share experiences with sport leaders from around the country.

### **REVENUE OPPORTUNITIES**

Hosting a USA Volleyball event provides your city with opportunities to generate revenue through local retail, restaurants, attractions, hotels and sponsorships with prior approval from USAV.

## CHAPTER 4: VENUE REQUIREMENTS

The cornerstone of a bid for the USA Open Volleyball Championships event is the playing site, or venue. The venue may have separate areas within the building. So long as all other criteria are met, this is acceptable.

**Bidders are requested to submit a detailed floor plan of all proposed venues, and/or all areas of the venue proposed for use which is provided as a CAD drawing on a disk or emailed as a zipped file. Even though a city may have hosted a USA Volleyball Championship event in a prior year, this submittal is required.**

The Bid Application and all attachments, upon receipt, become the property of USA Volleyball, unless the bidder specifically requests a return of any portion of the submittal.

### VENUE

The venue must have open and unobstructed floor space of at least 300,000-350,000 square feet. This area should be able to accommodate a minimum of 40 volleyball courts with space for portable bleacher seating and a raised platform championship desk.

### COURT ARRANGEMENT [\(REFER TO APPENDIX G & H\)](#)

These are the requirements for arranging volleyball courts in the competition venue:

- Each *court area* requires a 50' x 90' space, a minimum of 4,500 square feet. The competition area of a volleyball court measures 9 meters by 18 meters. The safety area surrounding the competition area requires 3 meters on each side line of the playing surface and 4 meters on each end line and must be free of all obstruction.
- There must be a minimum of 30' between the floor surface and the bottom of the lowest obstruction either hanging from or attached to the ceiling.
- There must be seating for a minimum of 50 persons at each court, except for feature and championship courts (see below). All seating will be set off the volleyball court (outside the safety area, approximately 1' from edge of playing surface).
- Spacing between court areas must allow for traffic patterns and spectator viewing without congestion for participants.
- Bidder must submit a CAD floor plan of the Convention Center space. See the attachment of a standard court layout [\(Appendix H\)](#).

### PLAYING SURFACE

USAV will supply portable courts through an agreement with the current distributor of Sport Court. USAV staff will design the court layout for the facility. In order to assist with the layout design, venue management must provide a CAD of the convention center at the time of the bid. Installation, tear down and repackaging of the portable floors will be under the direction of USAV equipment personnel.

### COURTS FOR GOLD MEDAL (FINAL) MATCHES

Each division will have a final match to determine the season champion. Extensive seating is essential for the

finals. Seating for a minimum of 3,000 is required. Accommodations for local media, television cameras and related paraphernalia are also requested.

### **AVAILABLE PLAYING SITE HOURS**

The playing site must be available for set-up three days prior to the first day of competition at no later than 8:00 AM local time. Set-up time, including hanging court divider nets, taping playing courts, and erecting net support systems, is approximately three working days.

5. Each day of the event, competition begins at 8:00 AM and continues until approximately 11:00 PM.
6. The venue must be available for occupancy by no later than 7:00 AM daily for competition and remain open through 12:00 AM, or until the close of competition.

### **STORAGE FACILITIES AND EQUIPMENT**

These are the requirements for storage facilities:

- The host must provide suitable time to unload a minimum of six (6) semi-trailers used to transport portable floors prior to the event. Additionally, the host must permit the USAV's equipment semi-trailer to arrive in the Host City up to two days prior to setup. The equipment trailer will be moved to the site of the venue and must remain at the loading dock until it is reloaded at the conclusion of the move-out.
- Of particular importance for the support of this service is the right of USAV to use three (3) forklifts, one (1) scissor lift, one (1) electric powered pallet jack, one (1) manual pallet jack, and two (2) electric, flat-bed golf carts owned by the convention center, or to rent this equipment for use at the convention center. Members of the USAV Equipment Committee are certified and experienced in the use of this machinery and will need to use them extensively during tear down and setup. Approval for USAV staff to operate this equipment will be solicited.
- The USA Volleyball will need five (5) secured storage areas for equipment, awards, sponsors, licensee and comptroller. These areas must be located convenient to, and on the same level as, the appropriate party using the space. USAV staff must possess the key and be given liberal access to these areas during the event.
- USAV Sponsors and the USAV Merchandise Agent will need three (3) secured storage areas, each approximately 60' x 90' in size for storing exposition/sales merchandise. These two (2) areas must be located convenient to, and on the same level as, the exposition area. USAV staff must have the key and be given liberal access to these areas.

### **VENUE SUPPORT REQUIREMENTS**

#### ***CHAMPIONSHIP DESK*** [\(APPENDIX H\)](#)

The "Championship Desk" is a two-tiered, elevated platform for use by the USAV Championship Committee. It must be located central to the playing area in the primary venue. Requirements for the Championship Desk include:

- 20 Skirted tables (6' x 30") and 30 chairs.

- Electrical for five (5) computers, two (2) printers, a high-speed copy machine, and a separate circuit for the USAV server.
- Internet access (1 – hard line).
- The capability to run one local telephone line for service during the event.
- A public address system capable of broadcasting throughout the entire venue, a CD player to play National Anthem each morning.

### ***SPORTS MEDICINE CENTER***

A centrally located area in close proximity to the Championship Desk shall be designated as the Sports Medicine Center, which will serve competitors and spectators during all hours of competition. If the venue has the space, a tent on the actual venue floor is preferred for medical access. Ice can be stored in a freezer on the loading dock to provide the daily needs of athletes.

Requirements for the Sports Medicine Center include: [Spec details listed in [Appendix E](#), layout in [Appendix K](#)]

- Two (2) risers set at 42”.
- Eight (8) 8’ tables.
- Three (3) chairs, five (5) comfortable chairs for medical staff, and two (2) 55-gallon trash receptacles wheels for ice.
- A minimum of 100 towels/day.
- 14,000 lbs of ice over the duration of the event with 3,000 lbs. upon delivery of the cooler or truck and multiple deliveries throughout the event.

### ***RESULTS AREA [\(APPENDIX I\)](#)***

USAV staff will designate area in the halls to post the results of competition. Requirements for the Results Area include:

- Network capabilities and electrical outlets to support 40 PC’s and monitors.
- USAV utilizes computer terminals and flat screens for displaying results.

### ***PHOTOGRAPHER BOOTH [\(APPENDIX J\)](#)***

Please see Appendix J for complete specs and the layout. Electrical and internet required.

### ***EXPOSITION/SALES AREA***

USAV merchandise sales, event souvenirs (including the event program and playing schedules) *are the exclusive rights of USAV*. A 40’ X 90’ souvenir stand will be needed in the sales area, which will serve as the USAV merchandise booth. The merchandise booth will be under the direction of USAV contracted personnel or an exclusive sponsor. USAV *will not agree* to pay a commission to a concessionaire or to venue management for an exclusive right to this sales area. Phone line access for credit card machines, as well as electrical, will be needed at several exhibitors’ booth spaces.

Additionally, USAV reserves the right to permit national sponsors the opportunity to utilize exhibition space to promote their product(s).

USAV also reserves the right to a maximum of five to ten (5-10) 10' X 10' exhibit booths to be located in a high traffic area, preferably adjacent to the playing courts if space allows.

### ***OFFICIALS' LOUNGE/WORK ROOM***

An Officials' Lounge/Workroom must be located adjacent to or in close proximity to the playing area for use by referees and scorekeepers. Requirements for the Officials' Lounge/Workroom include:

- Ten (10) Round skirted tables, fourteen (14) 8' x 30" skirted tables, and 225 chairs to accommodate 150-225 persons comfortably. Any accommodations for comfortable seating/relaxation are welcomed by the officiating staff.
- Up to four (4) garment racks to accommodate uniforms and street clothes for working officials. This room must be secured to protect personal belongings.
- Two (2) piped and draped areas approximately 10' x 10' to be used as changing rooms.
- Tables and chairs for the work station area and a telephone connection to an outside line (NO long distance access).
- One (1) electrical power outlet for computers, printers, and a copy machine.
- One (1) Internet Connection plus complimentary wireless access
- Two (2) Whiteboards or Chalkboards.
- Three (3) bulletin boards and several large waste receptacles.
- Coffee, soft drinks and light food items, usually made available throughout each day of competition. USAV would prefer the ability to find local sponsors to provide the concessions for this room. In the event a sponsor cannot be secured, the venue concessionaire will be asked to provide a reduced menu cost to meet daily needs.

### ***REGISTRATION (STAGING) ROOM***

USAV requires four (8) 8' x 30" tables and 10 chairs to accommodate the stuffing and storage of athlete, coach, and officials' bags, plus one small copy machine, local phone line with handset and electrical.

### ***OFFICIALS ASSIGNOR'S ROOM***

This room requires four (4) tables, four (4) chairs, electrical and internet access (hard line).

### ***ALL-TOURNAMENT SELECTION COMMITTEE ROOM***

This committee requires a small room with two (2) round tables and sixteen (16) chairs along with a white or black board.

## ***AWARDS ROOM***

This room requires sixteen (16) 8'x30" tables and four (4) chairs. This room must be secured. USAV personnel must have the room key and liberal access to the room. Ideally, this room would be adjacent to or in close proximity to the venue courts where finals are played.

## ***OFFICIALS' MEETING ROOM***

USAV requires one (1) meeting room set up in classroom style to accommodate 225 persons. This room requires one (1) 6' head table with three chairs, a public address system, podium and electrical.

## ***REGISTRATION DESK [\(APPENDIX J\)](#)***

USAV will operate a registration area in a strategic public area of the venue. Equipment needs are: five (5) kiosks and four (4) rectangle 8' skirted tables with 12 chairs.

## ***SCOREKEEPER CLINIC & MEETING***

USAV requires one meeting room set up in classroom style to accommodate 100 persons. The room requires one (1) 6' skirted head table with three chairs, a public address system, podium and electrical.

## ***INTERNATIONAL SCOREKEEPER CLINIC & MEETING***

USAV requires one (1) meeting rooms set-up in classroom style to accommodate 75 persons (approximately 40 skirted 6' or 8' tables and 80 chairs). The room requires one (1) 6' skirted head table with three (3) chairs, a public address system and a podium.

## ***COMPTROLLER ROOM***

USAV requires four (4) 8' x 30" tables, ten (10) chairs, a safe and electrical.

An approximate schedule for meeting room set-up and use can be found in [Appendix C](#) of this manual.

## ***PARKING***

- **Staff Parking at Venue:** Complimentary parking must be provided for all USAV staff vehicles for the duration of the event.
- **Participant Parking at Venue:** USAV requests that free or reduced rate parking be made available to tournament participants with in and out privileges both at the venue and at the respective hotels.
- **Staff Parking at Headquarters Hotels:** Complimentary hotel parking must be provided for staff vehicles if the distance from the venue requires ground transportation.

## ***SECURITY***

USAV will require security to cover access and egress to the venue. Security will also be responsible for monitoring doors and checking credentials. USAV requests a list of approved security companies from the venue.

## ***CONCESSION STANDS***

Concession stands and their use will be considered in the floor plan for easy access by spectators, tournament personnel and players. Concession stands should offer such fare as sandwiches, hot dogs, hamburgers, soft drinks, coffee, fruit, salads, pasta, ice cream, cold drinks, etc. For added success in sales, a healthy menu for participants is suggested.

USAV understands that all revenues fully accrue to the vendor consistent with in-place agreements with venue management. Hours should be established during competition days from 7:30 AM to 10:00 PM.

**USAV requires the privilege of bringing outside food items into the venue for the purpose of feeding officials and event staff. Many of these persons work extended shifts and do not have the opportunity to visit the concession stands or outside restaurants and must “eat on the run.”**

## ***COMMUNICATIONS***

The venue will supply information for installing outside telephone lines and internet in the following specific venue locations:

- Championship Desk (long distance and Internet access)
- Media Room (NO long distance access)
- USAV Exposition/sales area (a max of 10 credit card phone lines)
- Officials’ Room (NO long distance access)
- Sports Medicine Center (NO long distance access)
- Installation and service costs will be borne by USAV

## ***TICKET SALES/ENTRY-EXIT CONTROL***

Recent history reflects that a minimum number of spectators attend the event other than event participants and committee personnel. Charging spectators will not support the expense of managing doors and credentials of participants.

## CHAPTER 5: HOUSING/ HOTEL REQUIREMENTS

USA Volleyball wishes to contract the fewest hotels necessary to provide a minimum of 8,500 room nights during the 12-day Championship event and Annual Meetings. The total number of individual hotels will be referred to as the “Hotel Block” for the event. This need should be met using as many hotels as possible with a wide range of cost and amenities in the area. Tournament Housing Services (THS) will negotiate (with consultation with USAV) all hotel contracts except the two headquarter hotels. Please note the hotel contract terms needed to meet the housing/hotel requirements of USAV/THS.

### HEADQUARTERS HOTELS

Two (2) headquarters hotels will be needed to house event staff and referees/scorekeepers.

- Event **Staff Headquarters** hotel must provide the following amenities and complimentary rooms with **free local phone and internet access** from three nights prior to the beginning of competition until one night post competition.:
  - **10 Parking Passes** per day for USAV Event Staff
  - Design, production, and placement of an **Event Welcome Banner in a prominent location** (preferably behind the registration counters without date specification for future use) during the contracted hotel dates.
- **Officials' Headquarters** hotel must provide the following complimentary room with free local phone access:
  - A **portable bulletin board in the lobby area** of the hotel for the duration of the event.
  - Design, production, and placement of an **Event Welcome Banner in a prominent location** (preferably behind the registration counters without date specification for future use) during the contracted hotel dates.

### **\*\* DETAILS FOR STAFF HEADQUARTERS HOTEL-**

Guaranteed comp concessions starting and ending dates above. Need one comp Presidential Suite, Four Comp Junior Parlor Suites, Twenty complimentary Double/Double rooms. VIP block (details listed above) gets 70% of the attendee rate, commissionable at 10% (no rebate). If city cannot provide the number of rooms described above in walking distance rooms, then free transportation will be provided to and from venue at non-walking distance hotel locations.

### **\*\*\* DETAILS FOR OFFICIALS HEADQUARTERS HOTEL**

Guaranteed complimentary room concessions starting and ending dates marked above. Need 15 complimentary Double/doubles and 65 Double/Doubles at a reduced rate (no commission or rebate). If city cannot provide the number of rooms described above in walking distance rooms, then free transportation will be provided to and from venue at non-walking distance hotel locations.

### **DETAILS FOR ALL HOTELS:**

- **Tournament will use a Stay-to-Play policy that will require all teams to book through THS into an Official Tournament Hotel in order to participate.**
- 95% of rooms to be Double/Doubles. Room types must be guaranteed
- Attendee Rates to be flat 1-4 people.
- Attendee Rate to include \$15 rebate for USA Volleyball
- Attendee Rate to include 10% commission for THS
- Comp Policy: There are two levels of comp policies:
  - LEVEL ONE: (Excludes HQ hotels) All hotels must guarantee 1 comp Double/Double for the duration of the event.
  - LEVEL TWO: (Excludes HQ hotels) In addition to level one, **1/15 Full Service Hotels and Limited Service Hotels**
- Hotel has read and agrees to attached terms and conditions.
- **POTENTIAL CONFLICT CLAUSE-** Any walking distance hotel (less than 1 mile) to venue needs to be cautious of conflicting in-house business that is booked over these dates. There are companies that try to secure meeting space to promote or sell goods to attendees, and would be in direct violation of USA Volleyball sponsorship agreements. All groups that are interested in meeting space, need to be cleared by USAV prior to contracting meeting space.

## TERMS & CONDITIONS

### **1) Rates**

*Hotels must close out all published rates lower than our rate over that time period. Rate range for limited service hotels should be between \$69-\$89 and full service hotels \$89-\$109. Please keep in mind you are bidding on this business (against other cities), so keep the rates as competitive as possible.*

### **2) Cancellation**

### **3) Attrition**

*We will not agree to attrition in any form:*

*- As a penalty fee, As a right of the hotel to raise or renegotiate the rate higher, As a right of the hotel to reduce or eliminate any concessions*

### **4) Right to increase rate**

*We will not agree to this under any condition.*

### **5) Damage**

*Since all THS bookings are "Pay on Own," Damage of any kind must be made the responsibility of each guest, not THS or the "Group."*

### **6) Insurance**

*While THS will agree to keep enforce standard insurance in the amount of \$1.0 million, we will not do the following:*

*- Name the hotel on the policy, Show proof of the policy, Waive any rights to the hotel's insurance policies*

### **7) Security**

*Security must be a cost-of-doing-business for the hotel, and not be our responsibility.*

### **8) Indemnification**

*We will agree to standard indemnification only if it is mutual.*

### **9) Comps**

*1/15 paid for full service hotels plus 1 guaranteed comp for duration of event.*

### **10) State of Jurisdiction / Arbitration**

*\* No mention of state of jurisdiction - not New Jersey, and not state where hotel is located.*

*\* THS will NOT agree to waive right to jury trial and take arbitration instead.*

## CHAPTER 6: HUMAN AND MATERIAL RESOURCES PROVIDED BY THE LOCAL ORGANIZING COMMITTEE

This section discusses requirements for the Host/City Local Organizing Committee (LOC) when hosting the USA Open Volleyball Championship event. These components will be an integral part of the Agreement between USA Volleyball and the designated Host/City LOC. Because of the significant length of time between the bid process and the date of the event, some specifics may vary by the time the event is conducted. Prospective bidders must identify a partner organization capable of fulfilling these requirements if the bidding group cannot do so themselves. Identifying an LOC that is capable of producing the required results is paramount, and important to the bid.

**After an acceptable venue has been identified, this is the second most important component of the bid that USAV will consider in their evaluation and deliberations.**

### HUMAN RESOURCES

- **HOST Pre- and Post Event Support Staff Requirements**
  - Event Coordinator
  - Event Chair
  - Venue Coordinator
  - Volunteer Coordinator/ Supervisors
  - Publicity and Public Relations Chair
  - Coordinator, Sponsors/Contracts
  
- **HOST During Event Support Staff Requirements**
  - Security, police and door guards, merchandise sellers, ushers, and other auxiliary staff required by the venue.
  - Airport Ambassadors and/or Greeters for Airport and Registration arrivals
  - Equipment Committee Staff
    - USAV prefers for assistance from the local Fire Department in filling of water barrels for the competition. If this is not possible, USAV requests complimentary water hook-ups at the competition venue on set-up days.
  - Maintenance Crews
    - 4-8 persons to clean the courts following competition each day
  
- **USAV Staff Requirements**
  - Event Arbitrators (3)
    - Resolves conflicts and eligibility issues from the time teams arrive until they depart the city.
  - Officials (225)
  - Event Specialists
    - Equipment Committee Chair and Staff (8)
    - Championship (4)
    - Registration (4)
    - Awards (2-3)
    - All-Tournament (7)
    - Officials/ Workroom/ Assignors (12)

## **LOC EQUIPMENT COMMITTEE**

The LOC Equipment Committee will be made up of volunteers, local staffing and fundraising groups. USAV will budget funds to cover certain areas of set-up, teardown and floor maintenance during the event.

### **Set-up and Teardown Crews**

These crews are needed for installing Sport Court tile. USAV strongly suggests contacting area organizations to be assigned a certain number of courts for both the set-up and teardown projects. USAV pays a fee of \$100.00 per court for set-up and \$50.00 per court for teardown. These fees will be paid at the conclusion of the event. USAV will require a written accounting for each group and the number of courts that are assigned and completed. This accounting will be the responsibility of the LOC.

Each set-up and teardown crew will be made up of one (1) supervisor and eight (8) to ten (10) persons. A crew of six (6) can install a Sport Court floor in approximately 45 to 60 minutes. Schedule coordination will be done with the USAV Equipment Chair. The USAV Events Department will arrange contact information three months prior to the start date with the LOC Equipment Coordinator. Following is an approximate schedule for set-up and teardown crews:

<b>Day</b>	<b>Time Commitment</b>	<b>No. Crews</b>
Set up Day #1	11:00 AM – 2:00 PM	Minimum of 6
	2:00 PM – 8:00 PM	Minimum of 6
Set up Day #2	8:00 AM – 2:00 PM	3 (if necessary)
	2:00 PM – 8:00 PM	0 (if all courts are installed)
Teardown on Last Day	TBD – 11:00 PM	Minimum of 6

### **Maintenance Crews**

Maintenance crews will consist of four (4) to eight (8) persons, requiring one person per court to clean the floors. This too will be coordinated between the USAV Equipment Chair and the LOC Equipment Coordinator. USAV has a budget of \$1000 for floor mopping according to the following projected schedule:

<b>Day</b>	<b>Time Commitment</b>	<b>No. Courts</b>	<b>Task</b>
Friday	9:00 PM – Finish	40	Clean courts
Sunday	8:00 PM	20	Clean courts
Monday	8:00 PM	20	Clean courts
Tuesday	8:00 PM	20	Clean courts
Wednesday	8:00 PM	20	Clean courts
Thursday	8:00 PM	20	Clean courts
Friday	8:00 PM	20	Clean courts

## ***PUBLICITY/PUBLIC RELATIONS***

The LOC will assume primary responsibility for local public relations, assist USAV staff in preparing media packets, arrange for local media coverage, and prepare and release reports and competition results to local media and national wire services. The LOC will also arrange for local television spots and work with USAV event staff to feature human interest stories.

## ***LOCAL PRINTING AND COPYING***

The LOC will assist USAV in procuring bids for printing the event program, Scout book, playing schedules and daily copying needs. Selling ad space in the program is another way for the LOC to achieve revenue from the event and one way to offset expenses for printing. The LOC will receive up to eight (8) full pages (black and white) for sponsorship advertising. All revenue from the sale of local program ads will be the sole ownership of the LOC.

Ads must be approved by USAV to ensure that conflicts with USAV national sponsors are not breached. High quality, timeliness and cost efficiency is of utmost importance to the championship Events Department. Please consider advertising space in USAV publications in exchange for some of the cost of printing.

Printing and copying specifications can be found in [“Appendix F – Printing and Copying Requirements.”](#)

## ***MATERIAL RESOURCES***

Support assistance will be required in the areas listed below. References to some of these areas are also listed in other sections of this manual.

## ***EVENT SIGNAGE***

Proper signage is an important component for the event, as it controls access to restricted areas and directs pedestrian and participant traffic. Signs are needed to identify various rooms and areas in the venue, and to identify programs and activities. The LOC is responsible for the costs, production and posting of signs as required by USAV. Sample signs are “Team Registration,” “Officials’ Lounge,” “Media Room,” “Sports Medicine Center,” “Championship Desk,” “All-Tournament Selection Room,” etc. Final determination of necessary signage will be made by USAV in consultation with LOC personnel.

## ***OFFICE SUPPLIES/MATERIALS***

Office supplies are needed to carry out the tasks required by event personnel. USAV is responsible for the cost of supplies such as paper, pens, pencils, calculators, etc., but will need assistance from the LOC to procure these items if they are donated or discounted.

## ***DECORATIONS/AWARDS CEREMONIES***

These ceremonies will be under the direction of USAV Awards personnel.

## ***SPONSOR SIGNAGE/PACKET MATERIALS/VIK***

The LOC will assist in arranging to receive all materials shipped to the city prior to the event. The LOC can, with prior approval from USAV, sell sponsor signage, materials for player packets and exhibit booth space.

## ***EQUIPMENT***

The LOC will assist in coordinating equipment that is necessary to operate the event. A grid containing equipment needs can be found in [“Appendix E – Equipment, Supplies and Services.”](#) Please review the grid prior to completing the Bid Application. Some of the required equipment may be offset by sponsorship opportunities for the event. At a minimum, the LOC will be required to help submit requests for proposal to local vendors for equipment support.

# CHAPTER 7: BID APPLICATION AND SITE SELECTION PROCEDURES

USA Volleyball (USAV) is currently receiving inquiries and formal bids from local and state government agencies and/or other organizations that are interested in hosting the USA Volleyball Championships, in accordance with the provisions detailed in this Bid Manual. Bidders must follow the procedures listed in this manual unless an action initiated by USAV is necessary because of emergency circumstances.

## REVIEW AND INSPECTION OF BID MANUAL/PRESUMPTION OF RESPONSIBILITY

It is imperative that the Bid Manual be reviewed thoroughly, and that the prospective host fully understands the responsibility under consideration.

**It will be presumed by USAV that upon receipt of a formal bid, the bidder has read and fully understands the terms to which the bidder will agree and the responsibilities that the bidder is prepared to assume. This is especially important because these components will be included in the Agreement between the LOC and USA Volleyball.**

## BIDDING SCHEDULE

USAV is interested in confirming a host city for this event a minimum of two years in advance of the event. For the convenience of the bidder, a time schedule has been outlined in [Chapter 2](#) of this Bid Manual. This schedule is also replicated in the *Bid Application*. It is important that bidders conform to this schedule.

If the bidder is interested, USAV recommends that a bid be submitted for more than one given year as an option. The specific optional year(s) should be listed.

## PRELIMINARY STEPS

Since you are reading this manual and application, you and your organization have indicated a preliminary interest in hosting a USA Volleyball Girls' Junior National Championships event. After reviewing the information, the next major decision is to determine your willingness to become a host. If you decide not to pursue this, we understand and ask that you keep volleyball in mind for a smaller or different event, or an exhibition with one of our National Teams.

If you have decided to move forward, the first step is to submit a letter of Intent to Bid with a projected date for completing the Bid Application. The second step is to complete the Bid Application. In addition to the information we are requesting, you may submit supplemental materials you feel will support and/or enhance your bid. We suggest formal proposals from the LOC, the venue(s) and all block hotels, support letters and letters of invitation from the organization/city and other dignitaries, LOC leadership, documentation of similar past ventures, etc..

## PRE-BID PROCESSING

Nonconformance to the schedule (specified in the "Host (City) Involvement" section of this manual and duplicated in the *General Information* section of the *Bid Application*) and other requirements may jeopardize your bid.

**If you need assistance with the Bid Application or have any questions about the information in this manual, be sure to contact the Event Department at USAV (listed below). Please do not hesitate to call!**

**It is important to both your organization and to USA Volleyball that you have a clear understanding of what this undertaking entails, and that you have all of the information you need prior to submitting this application!**

A complete *Bid Application* is to be mailed to each of the following:

- Kristy Cox, Interim Director, Events  
USA Volleyball  
715 South Circle Drive  
Colorado Springs, CO 80910-2368  
Phone: 719-228-6800  
Fax: 719-228-6899  
Email: [kristina.cox@usav.org](mailto:kristina.cox@usav.org)
- Douglas Beal, CEO  
USA Volleyball  
715 South Circle Drive  
Colorado Springs, CO 80910-2368  
Phone: 719-228-6800  
Fax: 719-228-6899  
Email: [doug.beal@usav.org](mailto:doug.beal@usav.org)

## REVIEW OF BID

Each written bid will be reviewed and evaluated. If more information is needed and time permits, the bidder will be contacted and given the opportunity to submit additional information. When the bid appears to be complete, it will be evaluated and analyzed in detail. Those bids deemed to be in the best interests of USAV and the event will be scheduled for a “site evaluation” visit.

## SITE EVALUATION VISIT

Following an assessment of the written bids, the USAV Site Selection Committee will coordinate a visit with prospective hosts. All expenses for this site evaluation will be borne by the prospective host committee. During that visit, the committee will visit and/or inspect the recommended venue(s) and hotels, and discuss the issues important to conducting the event. This will include, but not be limited to, housing rates, venue particulars in regard to competition and ancillary space requirements, LOC capability to provide support personnel, publicity and public relations potential and capabilities, and related matters.

The two to three persons on the USAV Site Selection Committee represent the major components of the event—the Events Director, Chair of the Championship Events Commissions, and representative from the USAV contracted Housing Company. In most cases, the site evaluation can be accomplished with two full workdays and three nights of lodging.

The USAV Events Director will coordinate details of the visit with the local bidder representative.

## SITE SELECTION

After completing all site evaluation visits, the Site Selection Committee will analyze the merits of each prospective bidding organization. Based on their findings, they will submit their recommendation to the Executive Director and the Chair of the Championship Events Commission, who will make the final decision.

Once this decision has been made, the successful city will be notified verbally as soon as possible, followed with

a formal written invitation to host the event. Upon full acceptance by both parties, other bidding cities will be sent a written notification of the award.

## **CONTRACTS AND AGREEMENTS**

USAV wishes to finalize all contracts as soon as possible after the site has been awarded. Major contracts include:

1. Agreement with the Local Organizing Committee. (This agreement will be based on the amenities and staffing that the LOC proposes to USAV.)
2. Agreement with venue management for the playing site.
3. If appropriate, agreement with the local Convention and Visitors Bureau.

THS housing service will secure and contract hotel agreements. USAV also reserves the right to submit all proposed agreements to its corporate attorney and insurance carrier for review, comment and direction prior to signature.

The signature blocks for all agreements are to have the following lines provided for USAV:

1. Recommend Approval/USAV Events Department
2. Approved/Executive Director

## ***CONTRACT APPROVAL***

**The Executive Director of USA Volleyball must approve all contracts. Currently, no other agent of USA Volleyball is authorized to approve any contracts that commits USAV to a financial encumbrance.**

## **USE OF NOMENCLATURE/USAV MARKS**

Once the event has been assigned to a host city, the host may use certain and specified nomenclature and upon specific approval, the use of certain and specified USAV marks in conjunction with the promotion of the event. In all cases, approval must be obtained from the Secretary General prior to such use (see directory at end of Section).

## **PROMOTION AND PUBLICITY**

Immediately after the event is awarded, the host city is requested to forward copies of all publicity relevant to the event, from time to time, to the Secretary General.

## **SITE VISITS**

Following an assessment of the written bids, the USAV Site Selection Committee will coordinate a visit with prospective hosts. All expenses for this site evaluation will be borne by the prospective host committee. During that visit, the committee will visit and/or inspect the recommended venue(s) and hotels, and discuss the issues important to conducting the event. This will include, but not be limited to, housing rates, venue particulars in regard to competition and ancillary space requirements, LOC capability to provide support personnel, publicity and public relations potential and capabilities, and related matters.

The two to three persons on the USAV Site Selection Committee represent the major components of the event—the competition area and housing. The committee members are the USAV Event Director or designee,

the USAV Event Coordinator, representing the Corporation's Board of Directors. In most cases, the site evaluation can be accomplished with two full workdays and three nights of lodging.

In all cases listed above, USAV will be responsible for roundtrip travel for all USAV committee personnel. As noted, the Headquarters Hotel should provide complimentary lodging.

### QUESTIONS?

## APPENDIX A – VOLLEYBALL BACKGROUND

The sport of volleyball was created in the late 19th century. When it was first played in 1895, it was known as “mintonette.” William G. Morgan, the acknowledged creator of the sport, was the Physical Director of the Holyoke, MA, YMCA. The YMCA popularized the sport in the United States and took the game around the world. In 1913, it was included in the Far East Games in Manila. American Expeditionary Forces (AEF) brought the sport to Europe and England during World War I. The AEF is credited with distributing over 16,000 volleyballs throughout Europe. The greatest growth of the sport as a world activity occurred during World War II. This was primarily the result of the enthusiasm with which the U.S. Armed Forces played the game and taught it to others.

The United States Volleyball Association (USVBA) was founded in 1927 at the Yale Club in New York City, NY, in order to represent and promote the sport nationally and internationally. The first USVBA National Volleyball Championship was conducted in 1928 at the Chattanooga, TN, YMCA. The Germantown, PA, YMCA won the Gold Medal over second place Hyde Park, IL, YMCA in the Open Division. The host Chattanooga YMCA won the Senior Division (35 and over), with the Atlanta, GA, YMCA winning the silver medal. The U.S. Men’s Open Championship has been played every year since then, except during the war years of 1943 and 1944. In 1947, it was won by the North Avenue (IL) YMCA. It would be the last year a non-California team would win until another Chicago team, the Kenneth Allen Company, won in 1989.

### TOURNAMENT EXPANSION

As the sport grew and players matured beyond their prime, the number of national tournaments expanded. In 1949, the Women’s Open Division was added. The first Women’s Open Tournament was played in Los Angeles, California, and was won by the Houston, TX, Eagles. The Police Training Academy from Los Angeles was runner-up. In the years to follow, the U.S. Club, Masters and Seniors tournaments were added to the national championship tournament agenda. The inaugural year for each of the tournaments and National Championship were:

## **JUNIOR PLAYER EXPANSION**

In the late 1960's, it was recognized that in order for volleyball to grow to its fullest potential, a development program for younger players was absolutely essential. The USVBA, struggling to grow its adult program and develop a men's and women's team to compete internationally, recognized the interest of the AAU to conduct the Junior Olympic Volleyball program. The AAU conducted a bi-coastal championship in 1972 and 1973. Then in 1974, AAU conducted the first ever National Junior Olympic Volleyball Championship in Catonsville, MD. They still conduct this tournament as their Junior National Tournament. In the first tournament a total of 18 boys' and girls' teams competed.

USAV conducted its first Junior National Tournament in 1981 in Davis, CA. From these small beginnings, an explosion occurred in the late 1980's. Today, more than 2,000 teams nationwide compete on the national level for a major competition title in June and July each year.

### **COED VOLLEYBALL**

It was in the middle 70's also, that USAV conducted its first U.S. Coed National Championships. Now known as the USA Mixed-Six Championship, it has not grown as rapidly as other USAV championship events. Competition includes regular as well as reverse mixed-six competition. Additionally, existing Club and Open tournaments will be continued.

### **U-VOLLEY**

U-Volley is a height-restricted competition which was added in 2004. It provides opportunities for athletes that are vertically challenged to compete with players of similar stature.

### **VOLLEYBALL IN THE OLYMPICS**

Due primarily to the untiring efforts of volleyball pioneer and USVBA Past President Harold Frierhood, volleyball was included in the Olympic Games for the first time in 1964. The United States Men's Team won the Gold Medal in 1984 and 1988, and the Bronze Medal in 1992. The Women's Team won the Silver Medal in 1984 and the Bronze Medal in 1992. Although acknowledged as the world's best team with a number one international ranking, the 1980 Women's Team was deprived of an Olympic Medal because of the USA's Olympic boycott.

### **OUTDOOR VOLLEYBALL**

Outdoor or beach volleyball became popular in California in the 1970's and in 1996 was officially introduced to the Olympic Games. The USA Men's team won the Gold Medal. The first U.S. Open Outdoor Championships were played in 1993 in San Jose, CA. The USA Outdoor Championships are now divided into the Beach and the Grass Championships, with each conducting Open and Junior tournament competition.

### **INTERNATIONAL VOLLEYBALL**

The United States Volleyball Association, a charter member of the United States Olympic Committee, joined with 13 other National Volleyball Federations to found the Federation International de Volleyball (FIVB) in 1947. Long-time USVBA President George Fisher was elected as a vice president. Today, the FIVB has 220 member nations, making it the largest sport federation in the Olympic movement. With an estimated 800 million people playing the game worldwide, volleyball is now the number one game in the world.

Internationally, apart from the Olympic Games, the first Men's World Championship was conducted in 1949 in Prague, Czechoslovakia, and the first for women was in Moscow, USSR, in 1952. A World Cup for volleyball was initiated for men in Warsaw, Poland, in 1965, and for women in Montevideo, Uruguay, in 1973. Junior World Championships for men and women were introduced in 1977 at Rio de Janeiro, Brazil.

The FIVB now organizes, in addition to the above, World Juvenile and Youth Championships, a World League for men, a beach series including the World Beach Championships, and numerous special competitions.

## **USVBA BECOMES USA VOLLEYBALL**

In 1994, the USVBA adopted the name of USA Volleyball for daily operations, while maintaining the name U.S. Volleyball Association for corporate business. With the Amateur Sports Act of 1978 firmly in place and USA Volleyball recognized as the National Governing Body for volleyball in the United States, a program that is broad in scope and depth is required. Programs range from grass roots activities through the various levels of age group, recreation, scholastic and collegiate competition, to the highest of elite levels, the National Teams program. This is accomplished in a number of ways.

## **ORGANIZATIONAL STRUCTURE**

USA Volleyball is an “organization of organizations.” It is governed by an elected Board of Directors representing its Member Organizations. Corporate programs are conducted through its program divisions and the various sub-structures under each division. Many more persons participate in the sport than are registered with USAV. Member Organizations, especially those who operate recreation leagues, attract millions of players who enjoy the social aspect of the sport. Each contributes to the sport through their own specific program and as a result there is widespread development.

USA Volleyball, in partnership with its more than 75 Member Organizations, conduct programs for player, coach, referee, parental and leadership development. Essential to the growth of the sport is the development of reference and periodical publications, as well as written, audio, visual and media resource materials. USA Volleyball, in partnership with the American Volleyball Coaches Association (AVCA), is the major contributor in this effort.

A large cadre of volunteers predominantly conducts the programs of USA Volleyball and its Regional Volleyball Associations, with support service from paid staff. The Men’s and Women’s National and Olympic teams are coached and managed by a cadre of highly skilled coaches and leaders. Teams participate in exhibitions and tours, as well as sanctioned FIVB tournaments and championship events.

## APPENDIX B – VOLLEYBALL DEMOGRAPHICS

A 2006 national survey prepared by Sporting Goods Manufacturers Association (SGMA) and released in June 2007, reports that more than 28.7 million Americans play volleyball. Of that total, 12.4 million played indoors and 7.3 million played outdoors (grass). There are 6.9 million beach volleyball players in the United States. Of these numbers, 221,500 are registered with USA Volleyball. 87% of these players are female while 13% are male. Approximately 71% of overall USAV registrants are comprised of junior (age 18 or younger) volleyball players. These junior and adult players are the nucleus of club volleyball teams in the United States.

In NCAA Division I, II and III schools, 1,020 offer a varsity volleyball program for women, while 85 offer a men's varsity program. Many colleges offer club programs in lieu of a varsity program. Additionally, college intramural programs are many times more numerous and offer opportunities in men's, women's and coed competition. *[Source: American Volleyball Coaches Association]*

In a 2006 survey conducted by the National Federation of State High School Associations (NFSHSA), 452,056 boys and girls played high school volleyball. It ranked fourth among the girls' most popular sports. 14,881 schools reported having a girls' volleyball program and 2,006 schools offer boys' programs. *[Source: National Federation of State High School Associations]*

In a survey conducted by the Federation Internationale de Volleyball (FIVB), approximately 1.1 billion players worldwide participate in the sport of volleyball making it the 2<sup>nd</sup> most popular sport in the world.

An uncalculated number of players participate in recreation leagues throughout the year that are conducted by park and recreation agencies, YMCAs, Police Athletic Leagues, Boy and Girl Scouts and similar organizations, optimizing a social-athletic environment.

A general population survey derived the following conclusions:

- Hard court/grass volleyball continues to be one of America's most popular sports, placing 6th out of 16 selected activities in the number of total participants.
- Women account for a majority (52%) of all hard court/grass volleyball players. The average female player participated 20 days during 1997, versus 13 days for males.
- 18% of all hard court/grass volleyball players were new to the sport in 1997, placing it 7th out of 16 selected youth-oriented sports.
- The highest incidents for frequent participation on hard court/grass were found in the North Central region and in the West.
- Volleyball continues to be a youthful activity, with teens aged 12-17 reflecting the highest participation rate (30%) and also recording the greatest frequency of play of any age group—averaging 25 days in 1997. 77% of all players were under age 35.
- General Population Source/Methodology: This information is based (in part) on an analysis conducted by Sporting Goods Manufacturers Association, and summarizes 2006 participation. The ASD report is derived from an annual syndicated tracking survey, which represents a comprehensive overview of sports participation in the USA. The survey is based on 16,831 households, balanced to reflect the non-institutionalized population over 6 years of age who live in the continental United States.
