

# 2011-2012 USA Volleyball National & Junior National Referee Candidate Instructions for Completing the Form C Scoring Exam

## Form C Scoring Exam Information

National and Junior National referee candidates are required to complete the USA Volleyball Form C online scoring exam as part of the application process. This must be completed by the application deadline, **April 2, 2012**, along with all other paperwork associated with candidacy.

For candidates who have already taken the Form C scoring exam as part of their regional certification requirements, it is not necessary to re-take the exam. Instead, the original results email should be forwarded to Brian Hemelgarn ([Hemelgarn@ovr.org](mailto:Hemelgarn@ovr.org)) no later than **April 2, 2012**. Even if the scoring exam was taken prior to the April 2 deadline, submitting these results after that date will result in the application being rejected.

In addition, candidates must demonstrate scoring proficiency during the rating process by: 1) completing a scoring proficiency quiz, and 2) serving as the scorer during a match. Existing National Scorers are exempt from these requirements.

## Scoring Review & Online Training

Candidates should review the Instructions for Use of the Indoor Volleyball Scoresheets in the 2011-2013 USAV Domestic Competition Regulations (pages 127-156), including the Scoring Examples (pages 159-187). Special procedures for National Championship Tournaments are included on pages 157-158.

In addition to the DCR, online scoring review and instruction is available on the Volleyball Referee Training website ("VRT"). The web address is: [www.VolleyballRefTraining.com](http://www.VolleyballRefTraining.com). To view the online training modules, place your cursor on TRAINING MATERIALS tab in the menu. Select "Indoor Training" from the pop-up menu. In the Official's Clinics section (blue section), review the Scorer's Clinic and the Libero Control module. It may also be beneficial to review the Junior Scorer Clinic. This clinic can be found by placing your cursor on TRAINING MATERIALS tab in the menu, and then selecting "Junior Training" from the pop-up menu. Any necessary scoring materials (scoresheets, line-up sheets, Libero Control sheet, etc.) can be found by using the RESOURCES tab in the menu, then selecting "Scoring Materials".
